

## Diaper Cover Warranty

We guarantee that our polyester products will be waterproof for 100 washes and our nylon products for 50 washes. This guarantee applies to the waterproof fabric only, and will only be honoured if:

- The product has been washed and cared for according to our guidelines
- The product is part of a rotation of products and has undergone reasonable use

We guarantee that our products will be free of defects in workmanship after reasonable use as part of a rotation of diapering products. We will not replace products after 6 months or without a proper proof of purchase from one of our retailers.

Please note that our warranty does not apply to products that are not functioning properly because of a build-up of detergent residue, although we will do our utmost to co-operate with our clients in the resolution of this problem.

This warranty covers only products manufactured by Bummis. Any products distributed by Bummis but not manufactured by Bummis are not covered by this warranty.
