INSPIRED BY THE ORIGINAL

## THE UNIVERSAL NO-RINSE CLEANSER FOR HANDS AND FACE

Dirt affects us all, and MomSpit™ knows no boundaries. Inspired by the original, it's for everyone, children and adults alike. Whether you're urban, suburban or good old country, a soccer mom, golf dude, fashion diva or business suit, MomSpit was designed with versatility in mind. It's just for you when you're on the move and in your groove.

WORKS LIKE MAGIC. SMELLS LIKE HEAVEN.

CLEANS LIKE SOAP AND WATER WITHOUT THE SINK.

**MomSpit On It:** Eliminate milk moustaches, chocolate faces, sticky fingers, grease, dried food, latte foam, gas pump grunge and mystery dirt. Its gentle blend and antimicrobial properties leave skin clean and fresh.

It's not a sanitizer, it's MomSpit, the universal no-rinse cleanser. You wouldn't use sanitizer to remove ketchup from your child's face after they've gobbled fries in the backseat of your car, or for getting rid of the spilled coffee on your arm when you're at your desk on one of those days and your boss is on speakerphone. MomSpit cleans dirt and grime, leaving skin clean, moisturized and smelling yummy. Its scents are fresh and friendly. There's even unscented for those of you who love naked 'n' natural. It contains no alcohol, mousses brilliantly, absorbs quickly and feels great. It's soap and water sans le sink.
